SÁMAS

AWAKEN THE SENSES

WELCOME TO SÁMAS.

SÁMAS is devoted to nurturing the mind, body and soul. From its conception it was conceived to open a heartfelt connection with the wonders of nature that surround us.

SÁMAS is pleased to introduce Bamford products to Ireland. Created by Carole Bamford, individually created treatments use specially formulated products from the Bamford Body and Skin care ranges made from natural ingredients organically certified to the highest standard. At SÁMAS we believe that taking time to relax, think, unwind and be cared for is not a luxury, it is a necessity in today's frenzied world to look after yourself.

Our Treatments are designed with both genders in mind to revive body, mind and soul. Unlike other spas you do not need to reserve what actual treatment you want until you are with us. This unique approach to your experience is totally designed to ensure you gain the most from your visit to SÁMAS.

At SÁMAS it is not all about your treatment but a much more fulfilling “me-time”. We highly recommend you allow at least 3 hours for your visit to fully benefit from the journey. With separate Male and Female Thermal areas you can totally surrender to the environment. The first hour of your SÁMAS Experience is dedicated to Thermal. This encapsulates Rock Sauna (Male) Laconicum (Female) Crystal Steam, Ice Fountain, Tropical Shower and our outdoor Infinity Pool. Your therapist will lead you downstairs for your treatment of choice which is followed by a recommended hour in our separate Relaxation Rooms overlooking the woods and Kenmare Bay. A visit to SÁMAS is a total surrender to oneself.

We hope you enjoy.
